

If you're like most of us, your pets are part of the family and you want them around as long as possible. Our affordably priced Prevention And Wellness Plans provide your pet with the best level of care, targeting disease prevention and early diagnosis while providing you with the convenience of twelve monthly payments.

PAW Plans are not insurance and are not intended to treat injury or illness, but are a special relationship between you and your veterinarian to help take the financial worry out of caring for your pet.
